

Your compass to better care

Who We Are

BayPoint Complex Integrated Services is a private developmental services agency based in Barrie, Ontario. We provide inclusive residential group homes and community-based supports for individuals with developmental disabilities, dual diagnosis, and complex needs - including those navigating the justice system. Our goal is to create safe, supportive environments where every individual has the opportunity to thrive.

We deliver timely, personalised care through smart resource management and a commitment to quality. With expert oversight and a focus on innovation, we overcome funding challenges in supporting resident well-being. Private investment fuels our growth, helping us expand services, train staff, and continuously enhance care.
